

**Raised Funds
To Beautify
Lincoln Plot;
Opposes Change**

"I was surprised and disappointed at the action taken by the town council for the removal of the center plot in Lincoln Square, after so many organizations had voted to retain it," James B. Aumen declared today. "Surely the citizens of Gettysburg should be consulted and their wishes respected in this as in other matters affecting the borough and themselves."

Mr. Aumen, a long-time resident of Gettysburg and a life-long resident of Adams county, was for many years an employee of the National Park Service. He was formerly secretary of the Chamber of Commerce, and for the past 15 years president of the Gettysburg fire company, in addition to many other community activities. Several years ago he was the leader in the move to make the center plot a beauty spot in Gettysburg. It was largely through his individual and personal efforts that the money was raised to landscape the plot.

Regrets Shrubby Loss

"I think council was right in removing the trees, but I have often wondered just what became of them, and why they were not sold and other low plants used to replace them," Mr. Aumen added. "Some of them cost as much as \$25, including the pink dogwood. Possibly they could be found if the parties who removed them were interviewed."

"It cost \$900 to put in the present center plot and plant it. Town council gave \$100 and the Chamber of Commerce \$200. I do not remember the year, but I do know that a nursery firm from Westminster did the work. It was a beautiful plot and should so remain and new

**Colorful Furniture Show Is
Opened; Show New Creations
In Attractive Settings Here**

The semi-annual furniture show opened today at the Gettysburg furniture factories. The pre-showing, before the New York and Chicago shows, is for dealers only until Friday night, when the show will be opened to the public from 7 to 9 o'clock.

This fall's exposition is the best of many furniture shows held at the showrooms on York street. In addition to featuring many new designs, the furniture, in particular the ensemble displays, has been arranged as it might appear in actual use.

Attractive bedspreads and table and bed lamps have been used effectively in the arrangements of bedroom furniture. Similar "home" touches have been given other displays.

Modern designs predominate, with several types of foreign woods used in this fall's new offerings, among them Monrovia burl, Tangerine woods, brown walnut, avodire veneers and Honduras mahogany.

Displays attracting more than usual attention are the arrangements of Hollywood bed sets. The use of shelf-type head boards provides space for books, radio sets, etc., and "stands" at either side accommodate bedside lamps. Many of the heads have sliding panels. Large, 12-drawer dressers are among the new pieces to be seen at the show.

New Bright Fabrics

Hardware on the dressers, vanities and chests of the bedroom furniture is of bright or satin simulated gold finish. Chairs and benches are upholstered in new, bright fabrics.

Modern designs are also featured in the dining room furniture and in the novelty items, which include pedestal desks, corner tables, cocktail and coffee tables and end tables.

It is expected that throughout the week, many dealers and buyers will visit the show.

**Parka-Clad
Marines Push
Through Icy
Hills In Korea**

Seoul, Korea, Nov. 13 (AP) — Parka-clad U. S. marines pushed cautiously five and a half miles through undefended, icy hills toward the great Changjin reservoir today.

While the marines advanced in the center of the front, there was dogged fighting near both coasts.

Back of the front, United Nations forces drew a solid defense line across the narrow waist of Korea. The line was completed by the junction of the Third Division, built up to battle strength by the addition of South Koreans and Puerto Ricans, and the South Korean Eighth Division.

Subzero Weather

The advancing marines, bundled like Eskimos, wound through a cork-screw gorge in subzero weather without tank support. Tank tracks churned the mountain road into a soggy mass that bogged down the heavy equipment.

Marine planes flew close cover. Even that was unneeded as the leathernecks ran into only a scattered handful of Chinese Communists, remnants of the 124th Division, garbed in padded cotton uniforms. The Reds were eliminated without marine loss.

To the west, Communists appeared to be digging in or fighting delaying actions; but on the east coast they swarmed to the attack.

North Koreans attacking the approaches to the Soviet border attacked in force on the east coast Monday under cover of a blinding snowstorm. The Red spearhead battalion was led by tanks and self-propelled guns. It pushed across the Orangeburg river, about 90 miles from the Soviet border, threatening to outflank a South Korean regiment.

Near the west coast, U. S. First Cavalry Division units advanced a mile and one-half. That carried them halfway to the walled town of Yongpung. Patrols reached the walls but did not enter the town.

Heavy Communist resistance stopped other First Cavalry troops near Won, eight miles southeast of Yongpung.

And five miles south of Won, an estimated three regiments of Chinese Reds smashed a two mile dent in lines of the South Korean Sixth Division. Allied fighter-bombers halted this drive, killing about 1,000 Reds in a blazing attack two miles south of Kumu. The South Korean Seventh Division moved up to bolster the Sixth.

"I was surprised and disappointed at the action taken by the town council for the removal of the center plot in Lincoln Square, after so many organizations had voted to retain it," James B. Aumen declared today. "Surely the citizens of Gettysburg should be consulted and their wishes respected in this as in other matters affecting the borough and themselves."

Mr. Aumen, a long-time resident of Gettysburg and a life-long resident of Adams county, was for many years an employee of the National Park Service. He was formerly secretary of the Chamber of Commerce, and for the past 15 years president of the Gettysburg fire company, in addition to many other community activities. Several years ago he was the leader in the move to make the center plot a beauty spot in Gettysburg. It was largely through his individual and personal efforts that the money was raised to landscape the plot.

Regrets Shrubbery Loss

"I think council was right in removing the trees, but I have often wondered just what became of them, and why they were not sold and other low plants used to replace them," Mr. Aumen added. "Some of them cost as much as \$25, including the pink dogwood. Possibly they could be found if the parties who removed them were interviewed."

"It cost \$900 to put in the present center plot and plant it. Town council gave \$100 and the Chamber of Commerce \$200. I do not remember the year, but I do know that a nursery firm from Westminster did the work. It was a beautiful plot and should so remain and new

Green Springs UB Church Is Damaged

Fire, believed to have been caused by an overheated furnace in the basement, inflicted more than \$3,000 damage to the Green Springs United Brethren church Saturday evening.

The New Oxford and Abbottstown fire companies were summoned at shortly after 6 o'clock and began fighting the blaze. The oil heating unit of the church was installed last month.

Firemen were hampered by smoke and the fact that hose lines had to be extended from a well adjoining the Green Springs grade school, a distance of between 600 and 800 feet.

Rev. William Yingling, Hanover, is pastor of the church. The loss was only partially covered by insurance, according to Paul Miller, Green Springs, a member of the church board.

Parka-Clad Marines Push Through Icy Hills In Korea

Seoul, Korea, Nov. 13 (AP) — Parka-Clad U. S. marines pushed cautiously five and a half miles through undefended, icy hills toward the great Changjin reservoir today.

While the marines advanced in the center of the front, there was dogged fighting near both coasts.

Back of the front, United Nations forces drew a solid defense line across the narrow waist of Korea. The line was completed by the junction of the Third Division, built up to battle strength by the addition of South Koreans and Puerto Ricans, and the South Korean Eighth Division.

Subzero Weather

The advancing marines, bundled like Eskimos, wound through a cork-screw gorge in subzero weather without tank support. Tank tracks churned the mountain road into a soggy mass that bogged down the heavy equipment.

Marine planes flew close cover. Even that was unneeded as the leathernecks ran into only a scattered handful of Chinese Communists, remnants of the 124th Division, garbed in padded cotton uniforms. The Reds were eliminated without marine loss.

To the west, Communists appeared to be digging in or fighting delaying actions; but on the east coast they swarmed to the attack.

North Koreans Attack

North Koreans guarding the approaches to the Soviet border attacked in force on the east coast Monday under cover of a blinding snowstorm. The Red spearhead battalion was lead by tanks and self-propelled guns. It pushed across the Orangehorn river, about 90 miles from the Soviet border, threatening to outflank a South Korean regiment.

Near the west coast, U. S. First Cavalry Division units advanced a mile and one-half. That carried them halfway to the walled town of Yongbyon. Patrols reached the walls but did not enter the town. Heavy Communist resistance stopped other First Cavalry troops near Won, eight miles southeast of Yongbyon.

And five miles south of Won, an estimated three regiments of Chinese Reds smashed a two mile dent in lines of the South Korean Sixth Division. Allied fighter-bombers halted this drive, killing about 1,000 Reds in a blazing attack two miles south of Kunu. The South Korean Seventh Division moved up to bolster the Sixth.

ROGER STERNER DIES SATURDAY

He was a member of the Evangelical United Brethren church, York, and served as assistant teacher for the Young Men's Bible class. He was also a member of IOOF lodge 124, Gettysburg; Washington Camp 414, POS of A, Gettysburg, and the Order of Railroad Telegraphers.

Albright Rallies In Last Half To Defeat Bullet Eleven 14-12; Faulkner, Ewing Fracture Hands

After completely outclassing Eddie Gulian's Albright Lions in the first half when they took a 12-0 lead, the Gettysburg college Bullets yielded touchdowns to the Lions in the third and fourth periods and dropped a 14-12 decision here Saturday afternoon on the strength of two placement conversion kicks by Floyd Rightmire.

The defeat was a costly one for the Bullets as Tom Faulkner, back, and Bill Ewing, guard, suffered fractures of their hands and will be lost for the final game with undefeated F. and M. at Lancaster on Thanksgiving Day. Faulkner fractured his right hand in the first period but played the remainder of the game without knowledge of the injury. Ewing suffered a fracture of his hand during the last half. Ditty Jones also suffered rib injuries and will be out for several days.

The biting cold weather limited the crowd to a little more than 2,000 fans, one of the smallest to witness a game here in a long time.

Big Tom Faulkner, ace running back for the Bullets, and Bob McCoy, just promoted to a ball carrying role for the first time, ripped the Lions apart throughout the first half and were given fine support by the rest of the Bullet players.

Jim Hammond passed to Jones in the end zone with but 40 seconds remaining in the first period for Gettysburg's initial tally. The big Albright line broke through to block Ward's first try for the point.

Again in the second period with but 16 seconds remaining, Hammond tossed to Emert in the end zone. Again Ward's placement was blocked.

Tenley plunged over for Albright with 1:55 remaining in the third period and Krohto ploughed through from the 1 after 2:53 of the fourth frame.

First Loss In Series
The victory for the Lions was the first in history for an Albright team over Gettysburg. Previously the Bullets had won six games of the series while four resulted in ties.

Gettysburg threatened in the opening minutes. Faulkner returned the opening kickoff to the Gettysburg 34. With Jones and Faulkner spear-heading the attack, the Bullets picked up three straight first downs to the Albright 26.

The Lions' line then braced. McCoy was thrown for a 3-yard loss and on an attempt pass Hammond was spilled back on the Gettysburg 49. Young kicked to the Albright 13. Krohto and Rightmire pounced out a first down on the 23. After the attack bogged down, Sudol, who turned in some beautiful boots during the afternoon, kicked out on the Gettysburg 31.

Drive 89 Yards
From that spot the Bullets drove to their initial score. McCoy and Faulkner alternating in ripping the Lion's forward wall for five straight first downs to reach Albright's 5. A backfield in motion penalty set Gettysburg back 5 yards. Albright braced and stopped Faulkner and McCoy. A pass, intended for Coder, was incomplete. On the last down try Jim Hammond connected with Jones on the 3 from where he scored. Ward's placement was blocked by a flock of Lion linemen. Early in the second period Gettysburg marched 88 yards and missed scoring by inches.

After Sudol punted out on the Gettysburg 11, Faulkner picked up a first down on the 29 on two tries. Jones then fired a pass to Don Emert on the Albright 48 and he reached the Albright 33 before being hauled down. McCoy and Faulkner alternated on ripping the line for a first down on the 18. Hammond passed to Jones for 8 yards and on the next play McCoy ripped through for a first down on the 5.

Jones added three yards at the left side of the line and another thrust moved the ball to the 1. McCoy crashed the line but Albright failed to budge and Hammond was also stopped inches short on the next try.

Sudol kicked out to the Albright 37 and four plays later Young punted out on the Albright 21.

Reider Recovers Fumble
A fumble by Rightmire was recovered by Ray Reider of Gettysburg on the Albright 31 to set the stage for the Bullets' second score. Hammond passed to Gene Coder for a first down on the 18. After McCoy smashed through for 9 yards, the Albright line again showed great defensive strength by dropping Faulkner for a six-yard loss and Hammond for 5 more to put the ball back on the 20.

On the next play Emert made a sensational leaping catch of a pass from Hammond when pocketed between two Lion defenders just short of the goal line. McCoy failed to gain on the next play and then Hammond hurled a pass into the end zone where Emert gathered it in for the score. Savage broke through to block Ward's placement for the point.

Early in the third quarter the Lions surged into Bullet territory on the running of Bruce Tenley, and a pass, Krout to Tenley, which put the ball on the Gettysburg 38. Joe Day, Bullet back, intercepted a pass by Krout on the 16 to stop the threat.

pounced on a fumble on the Gettysburg 36 midway in the period to open the way for the initial Albright tally.

Krohto swept right end for a first down on the 24. Three line smashes by Krohto, Tenley and Rightmire failed to gain and then Krout tossed a pass to James for a first down on the 10. Tenley was stopped for no gain and then Krohto got 2 yards at right tackle.

On the next play a pass interference penalty was called against the Bullets to put the ball on the 1-yard mark from where Tenley smashed over. Rightmire then booted the first of his vital extra points.

Hess returned the following kickoff to the Gettysburg 18 and on the next play Locher recovered a fumble by McCoy on the Gettysburg 24. A pass, Krout to James, put the ball on the 11. Krohto got a yard and Krout 4 on two line smashes as the third period ended.

Krohto picked up a yard and when Rightmire was stopped Gettysburg took over on the five at the start of the fourth period. Young booted short to Sudol who returned to the Gettysburg 28. Krout then heaved an aerial to Krohto for a first down on the 4. Krohto picked up a yard and Tenley two on successive smashes and then Krohto smacked through for the score. Again Rightmire converted.

Albright tried an on-side kickoff on the next play which nearly backfired when Coder took the ball on the 26 and broke into the clear only to be hauled down from behind on the Lions' 46. A pair of passes, Hammond to Coder, and Hammond to Emert, moved the ball to Albright's 21. There the attack bogged down and the Lions took over on the 24.

With a little more than two minutes remaining Gettysburg took over on its 10 through a punt. After picking up a first down on the 23, Hammond hurled a long pass to Emert, who lateralled to Young, for a first down on the Albright 36. Two passes failed as the game ended.

GOLDEN BEARS NEARING THIRD TITLE ON COAST

By WILL GRIMSLEY

New York, Nov. 13 (AP)—California really loaded this year?

They insist "yes" out on the Pacific coast where the Golden Bears battered UCLA Saturday, 35-0, for their 32nd regular season victory in a row.

Northwestern beat the Bears in the Rose Bowl two years ago, 20-14, and Ohio State won, 17-14, last January 1.

In whipping UCLA, the Golden Bears, who lost 26 lettermen by graduation, hurdled the biggest remaining obstacle between them and a third conference championship.

Look for Top Opponent
Pacific coast grid followers now are hoping that the Big Ten will send out something besides a secondary representative for the Pasadena game, so the Bears can recapture lost prestige. Right now this looks doubtful.

Ohio State, second ranked nationally, is regarded as the best team in the Western conference and is ineligible to return to the Rose Bowl under present rules.

The Buckeyes meet once-beaten Illinois Saturday at Champaign in the headline game of the week-end. If they prevail, as expected, twice-kicked Wisconsin would stand to inherit the bowl assignment. Otherwise, it looks like Illinois.

Ohio State trounced Wisconsin Saturday, 19-14, while Illinois beat Iowa, 21-7.

Other Results

The Golden Bears' triumph over the ULCANS was the most impressive development of the week-end, which also saw these results:

1. Southern Methodist, the nation's top-ranking team 10 days ago, lost its second in a row—upset by Texas A. and M., 25-20.

2. Miami (Fla.) was tied Friday night by Louisville leaving these seven major teams with perfect records: Army, Oklahoma, California, Princeton, Kentucky, Wyoming and Loyola of Los Angeles.

3. Army and Oklahoma extended their long success streaks. The Cadets toyed with New Mexico, 51-0, for their 27th game in a row without a setback. Oklahoma beat Kansas, 31-13, for its 28th straight conquest.

SCRAMBLE FOR PRO GRID LEAD; 6 TEAMS IN RACE

New York, Nov. 13 (AP)—With one month of the season remaining, the National Football league found itself all scrambled up today with no less than six teams in a red hot battle for championship honors.

The won and lost figures in both divisions are exactly the same for the leaders after Sunday's six-game program. Cleveland's Browns still are leading the American conference, while the Los Angeles Rams displaced the New York Yanks atop the National group.

If the Rams want to stay in the lead, they've got a tough job next Sunday in the league's big game, when they meet New York at Yankee stadium.

Los Angeles eased into first place by blasting the Green Bay Packers, 45-14, at Milwaukee while the Bears tamed New York's Yanks before 50,103 cheering fans packed into Wrigley field at Chicago, 28-20.

Thompson And Van Buren
The Cleveland Browns had a rough time for three periods before subduing the San Francisco 49ers, 34-14, at Cleveland. At New York, the Giants pulverized the Chicago Cardinals, 51-21; the Philadelphia Eagles blanked the Redskins at Washington, 33-0; and the Steelers defeated the Baltimore Colts at Pittsburgh, 17-7.

Tommy Thompson's passing plus the running of Steve Van Buren and Frank Ziegler proved Washington's downfall. Limited to a first period field goal, and a touchdown in the second period, the Eagles broke loose for 23 points in the last half.

Pittsburgh, led by Joe Geri, scored 17 points in the first half against Baltimore then staved off a determined Colts bid in the last two quarters. V. A. Little, Baltimore quarterback, completed 23 of 42 passes, to grab individual honors. Little's tosses set up the only Colt score in the third period, when Frank Spamej galloped 15 yards to score.

Bierman Resigns As Gopher Coach

Minneapolis, Nov. 13 (AP)—Bernie Bierman today resigned as head football coach at the University of Minnesota. He asked to be relieved at the end of the present year.

Bierman said he had had the move in mind for some time and that he felt this was "as good a time as any."

He said the move was not prompted by the fact the current Gopher football team has failed to win a game thus far this year. He said that since World War II the coaching job had been particularly difficult.

Sports Roundup

By HUGH FULLERTON, JR.

New York, Nov. 13 (AP)—It's a safe prediction that baseball's national defense rule will come in for a lot of discussion and perhaps some overhauling at the winter meetings.

Shag Shaughnessy, International League president, proposed some changes at the recent executive meeting but was turned down. He still thinks it's a bad rule.

"They're taking the young players awfully fast in our league," says Shag. "Nobody wants to sell an old ball player. . . . It may be just like the last year. . . . The players used up all their option years while they were in service, and when they came back they couldn't be sent out to gain experience. . . . They wanted to go out—just like the bonus kids want to be sent out—but the rule prevented it. . . . I want them to change the rule so a kid can be sent to the minors if he asks for it."

TUBE BAD

After observing a pro basketball game in Louisville at which the attendance was only 600, the Courier-Journal's Tommy Fitzgerald commented: "It's beginning to look as if five-foot television entertainers are going to hurt basketball more these cold winter nights than seven-foot players are going to help it."

MONDAY MATINEE

New York University plans to open its 1950-51 basketball season and its new million-dollar gym Friday with a varsity vs. alumni game in which one alumni unit will be composed entirely of professional baseball players and another of basketball pros.

NYU cagers who went into pro baseball include Branch, Eddie Yost, Williams Wells, Al Grenert and Sandy Silverstein. . . . New gridiron "feed" in the Big Ten resulted from a magazine piece that tabbed the Michigan band as the nation's best. Ohio State is out to disprove that statement. . . . Whadda they want, a monopoly? . . . Frank Secory, Texas league ump, is ticketed for advancement to the Pacific Coast loop. . . . The U. of Washington claims a record for pass-catcher Roland Kirby. Against Southern Cal last year he received two touchdown passes in 49 seconds.

MEYER MAY GET THE AX TODAY

Pittsburgh, Nov. 13 (AP)—Bill Meyer, general manager who led the Pittsburgh Pirates in their flop into the National league cellar the past season, learns his baseball fate today. The 57-year-old Tennessean has been summoned to a Forbes Field meeting with Branch Rickey, new front office boss of the Bucs. Rickey has given no hint as to what he plans to tell Meyer.

But recent managerial changes in the big leagues have led to strong speculation that easy-going Billy is out as the Pittsburgh pilot.

There is irony in Meyer's situation. In 1948 Billy made his first appearance in the big show as a manager. He was hired by the reorganized Pirates to take over from Billy Herman, whose 1947 combination landed at the bottom of the National league heap. Herman had a year to go on his contract, but the eager Pittsburgh owners bought it up.

Meyer led the 1948 Pirates to a surprising fourth-place finish. Billy was named manager of the year and given a new three-year contract. It runs through 1951. Today he finds himself in virtually the same situation as that faced by his predecessor three years ago.

It will be comparatively easy for Rickey to give Meyer the gate—providing he is willing to hand out \$40,000 for nothing but a torn contract.

Dopesters around Forbes Field have the situation sized up like this: Lou Boudreau, who was fired as manager of the Cleveland Indians last week, will replace Meyer. Billy will go to Indianapolis of the American Association to replace Al Lopez who got Boudreau's job.

DELONE WINS: ADDS GAME ON THANKSGIVING

Delone Catholic high school's football team won its fifth victory of the season by handing Reading Central Catholic at 32-19 setback Sunday afternoon at McSherrystown.

Bill Sheaffer, star Squire back, paced his team to victory by accounting for four touchdowns. Janiszewski, Reading back, tallied three TDs for his outfit.

After being held to a 13-12 margin at half time, the Squires scored three times in the third period to clinch the decision.

Announcement has been made that a post-season game has been arranged for Delone for Thanksgiving Day at McSherrystown. On that day the Squires will meet St. Michael's Industrial school of Scranton. The Industrial school team has been unbeaten in three years during which time it has won 15 games and been tied twice.

TWO STREAKS ARE SHATTERED ON SATURDAY

Philadelphia, Nov. 13 (AP) — Two Pennsylvania football teams dropped from the ranks of the unbeaten over the week-end but three others, led by the amazing Lehigh university eleven, retained their unblemished records.

Lehigh shattered Carnegie Tech's six-game winning skum by the lopsided score of 66 to 0 as the romping Richards—Gabriel and Doyle—ran the Skibos off the field.

Gabriel and Doyle each gained over 100 yards, while Doyle scored four times and Gabriel twice in leading Lehigh to its eighth straight victory. Only traditional rival Lafayette, a winner once in eight tries, stands-between Lehigh and its first undefeated season in history.

8th Straight for F and M
Bloomsburg Teachers', which had rumbled over 14 straight foes over a two-year stretch, stumbled before West Chester, loser only once this season, by the surprising margin of 31 to 6.

Meanwhile, Thiel wound up its third unbeaten season in 10 years by crushing winless Lycoming, 61 to 0. Thiel, which is located in Greenville, won all its games in 1941 and again in 1946. Thiel did not field a team during World War II.

Franklin and Marshall kept pace with Lehigh by copping its eighth straight, a 34 to 0 victory over Washington and Jefferson. The Diplomats complete their season against Gettysburg on Thanksgiving Day, a game F. and M. figures to win easily. Gettysburg lost 14-12 to Albright Saturday.

Bucknell Shows Punch
Pennsylvania bounced Stor 30-0 in an Ivy league contest at Philadelphia. Alan Corbo, with three touchdowns, led the Penn Squires parade but as usual, it was Rids Bagnell spearheading the Penn attack.

Bagnell played only 10 minutes, long enough to gain 86 yards running and passing, score on touchdown, pass for one and set up a third. Penn has a key battle to face next Saturday when the Wisconsin Badgers, who lost 14-10 to powerful Ohio State last week, come to town.

Bucknell displayed surprising scoring punch in a 34-0 romp over Temple in a game in which the "Old Shoe" was at stake. Penn State scored its easiest victory of the campaign, a 27-0 decision over West Virginia, while Pitt fell before the Irish of Notre Dame, 18 to 7.

Albright Rallies In Last Half To Defeat Bullet Eleven 14-12; Faulkner, Ewing Fracture Hands

After completely outclassing Eddie Gulian's Albright Lions in the first half when they took a 12-0 lead, the Gettysburg college Bullets yielded touchdowns to the Lions in the third and fourth periods and dropped a 14-12 decision here Saturday afternoon on the strength of two placement conversion kicks by Floyd Rightmire.

The defeat was a costly one for the Bullets as Tom Faulkner, back, and Bill Ewing, guard, suffered fractures of their hands and will be lost for the final game with undefeated P. and M. at Lancaster on Thanksgiving Day. Faulkner fractured his right hand in the first period but played the remainder of the game without knowledge of the injury. Ewing suffered a fracture of his hand during the last half. Ditty Jones also suffered rib injuries and will be out for several days.

The biting cold weather limited the crowd to a little more than 2,000 fans, one of the smallest to witness a game here in a long time.

Big Tom Faulkner, ace running back for the Bullets, and Bob McCoy, just promoted to a ball carrying role for the first time, ripped the Lions apart throughout the first half and were given fine support by the rest of the Bullet players.

Jim Hammond passed to Jones in the end zone with but 40 seconds remaining in the first period for Gettysburg's initial tally. The big Albright line broke through to block Ward's first try for the point.

Again in the second period with but 16 seconds remaining, Hammond tossed to Emert in the end zone. Again Ward's placement was blocked.

Tenley plunged over for Albright with 1:55 remaining in the third period and Krohto ploughed through from the 1 after 2:53 of the fourth frame.

First Loss In Series
The victory for the Lions was the first in history for an Albright team over Gettysburg. Previously the Bullets had won six games of the series while four resulted in ties.

Gettysburg threatened in the opening minutes. Faulkner returned the opening kickoff to the Gettysburg 34. With Jones and Faulkner spear-heading the attack, the Bullets picked up three straight first downs to the Albright 26.

The Lion's line then braced. McCoy was thrown for a 3-yard loss and on an attempt pass Hammond was spilled back on the Gettysburg 49. Young kicked to the Albright 13.

Krohto and Rightmire pounced on a first down on the 23. After the attack bogged down, Sudol, who turned in some beautiful boots during the afternoon, kicked out on the Gettysburg 31.

Drive 69 Yards
From that spot the Bullets drove to their initial score. McCoy and Faulkner alternating in ripping the Lion's forward wall for five straight first downs to reach Albright's 5. A backfield in motion penalty set Gettysburg back 5 yards. Albright braced and stopped Faulkner and McCoy. A pass, intended for Coder, was incomplete. On the last down try Jim Hammond connected with Jones on the 5 from where he scored. Ward's placement was blocked by a flock of Lion linemen.

Early in the second period Gettysburg marched 88 yards and missed scoring by inches.

After Sudol punted out on the Gettysburg 11, Faulkner picked up a first down on the 29 on two tries. Jones then fired a pass to Don Emert on the Albright 48 and he reached the Albright 33 before being hauled down. McCoy and Faulkner alternated on ripping the line for a first down on the 18. Hammond passed to Jones for 8 yards and on the next play McCoy ripped through for a first down on the 5.

Jones added three yards at the left side of the line and another thrust moved the ball to the 1. McCoy crashed the line but Albright failed to budge and Hammond was also stopped inches short on the next try.

Sudol kicked out to the Albright 37 and four plays later Young punted out on the Albright 21.

Reider Recovers Fumble
A fumble by Rightmire was recovered by Ray Reider of Gettysburg on the Albright 31 to set the stage for the Bullets' second score. Hammond passed to Gene Coder for a first down on the 18. After McCoy smashed through for 9 yards, the Albright line again showed great defensive strength by dropping Faulkner for a six-yard loss and Hammond for 5 more to put the ball back on the 20.

On the next play Emert made a sensational leaping catch of a pass from Hammond when pocketed between two Lion defenders just short of the goal line. McCoy failed to gain on the next play and then Hammond hurled a pass into the end zone where Emert gathered it in for the score. Savage broke through to block Ward's placement for the point.

Early in the third quarter the Lions surged into Bullet territory on the running of Bruce Tenley, and a pass, Krout to Tenley, which put the ball on the Gettysburg 38. Joe Day, Bullet back, intercepted a pass by Krout on the 16 to stop the threat.

Al Weidman, Albright tackle,

pounced on a fumble on the Gettysburg 36 midway in the period to open the way for the initial Albright tally.

Krohto swept right end for a first down on the 24. Three line smashes by Krohto, Tenley and Rightmire failed to gain and then Krout tossed a pass to James for a first down on the 10. Tenley was stopped for no gain and then Krohto got 2 yards at right tackle.

On the next play a pass interference penalty was called against the Bullets to put the ball on the 1-yard mark from where Tenley smashed over. Rightmire then booted the first of his vital extra points.

Hess returned the following kickoff to the Gettysburg 18 and on the next play Locher recovered a fumble by McCoy on the Gettysburg 24. A pass, Krout to James, put the ball on the 11. Krohto got a yard and Krout 4 on two line smashes at the third period end.

Krout picked up a yard and when Rightmire was stopped Gettysburg took over on the five at the start of the fourth period. Young booted short to Sudol who returned to the Gettysburg 28. Krout then heaved an aerial to Krohto for a first down on the 4. Krohto picked up a yard and Tenley too on successive smashes and then Krohto smashed through for the score. Again Rightmire converted.

Albright tried an on-side kickoff on the next play which nearly backfired when Coder took the ball on the 26 and broke into the clear only to be hauled down from behind on the Lions' 46. A pair of passes, Hammond to Coder, and Hammond to Emert, moved the ball to Albright's 21. There the attack bogged down and the Lions took over on the 24.

With a little more than two minutes remaining Gettysburg took over on its 10 through a punt. After picking up a first down on the 23, Hammond hurled a long pass to Emert, who lateraled to Young, for a first down on the Albright 36. Two passes failed as the game ended.

GOLDEN BEARS NEARING THIRD TITLE ON COAST

By WILL GRIMSLEY

New York, Nov. 13 (AP)—California really loaded this year?

They insist "yes" out on the Pacific coast where the Golden Bears battered UCLA Saturday, 35-0, for their 32nd regular season victory in a row.

Northwestern beat the Bears in the Rose Bowl two years ago, 20-14, and Ohio State won, 17-14, last January 1.

In whipping UCLA, the Golden Bears, who lost 26 lettersmen by graduation, hurdled the biggest remaining obstacle between them and a third conference championship.

Look for Top Opponent
Pacific coast grid followers now are hoping that the Big Ten will send out something besides a secondary representative for the Pasadena game, so the Bears can recapture lost prestige. Right now this looks doubtful.

Ohio State, second ranked nationally, is regarded as the best team in the Western conference and is ineligible to return to the Rose Bowl under present rules.

The Buckeyes meet once-beaten Illinois Saturday at Champaign in the headline game of the weekend. If they prevail, as expected, twice-kicked Wisconsin would stand to inherit the bowl assignment. Otherwise, it looks like Illinois.

Other Results
The Golden Bears' triumph over the UCLAs was the most impressive development of the week-end, which also saw these results:
1. Southern Methodist, the nation's top-ranking team 10 days ago, lost its second in a row—upset by Texas A. and M., 25-20.

2. Miami (Fla.) was tied Friday night by Louisville leaving these seven major teams with perfect records: Army, Oklahoma, California, Princeton, Kentucky, Wyoming and Loyola of Los Angeles.

3. Army and Oklahoma extended their long success streaks. The Cadets toyed with New Mexico, 51-0, for their 27th game in a row without a setback. Oklahoma beat Kansas, 31-13, for its 28th straight conquest.

Scramble for Pro Grid Lead; 6 Teams in Race

New York, Nov. 13 (AP)—With one month of the season remaining, the National Football league found itself all scrambled up today with no less than six teams in a red hot battle for championship honors.

The won and lost figures in both divisions are exactly the same for the leaders after Sunday's six-game program. Cleveland's Browns still are leading the American conference, while the Los Angeles Rams atop the National league.

If the Rams want to stay in the lead, they've got a tough job next Sunday in the league's big game, when they meet New York at Yankee stadium.

Los Angeles eased into first place by blasting the Green Bay Packers, 45-14, at Milwaukee while the Bears fanned New York's Yanks before 50,103 cheering fans packed into Wrigley field at Chicago, 28-20.

Thompson And Van Buren
The Cleveland Browns had a rough time for three periods before subduing the San Francisco 49ers, 34-14, at Cleveland. At New York, the Giants pulverized the Chicago Cardinals, 51-21; the Philadelphia Eagles blanked the Redskins at Washington, 33-0; and the Steelers defeated the Baltimore Colts at Pittsburgh, 17-7.

Tommy Thompson's passing, plus the running of Steve Van Buren and Frank Ziegler proved Washington's downfall. Limited to a first period field goal, and a touchdown in the second period, the Eagles broke loose for 23 points in the last half.

Pittsburgh, led by Joe Geri, scored 17 points in the first half against Baltimore then staved off a determined Colts bid in the last two quarters. Y. A. Tittle, Baltimore quarterback, completed 23 of 42 passes, to grab individual honors. Tittle's tosses set up the only Colt score in the third period, when Frank Spaniel galloped 15 yards to score.

Bierman Resigns As Gopher Coach
Minneapolis, Nov. 13 (AP)—Bernie Bierman today resigned as head football coach at the University of Minnesota. He asked to be relieved at the end of the present year.

Bierman said he had had the move in mind for some time and that he felt this was "as good a time as any."

He said the move was not prompted by the fact the current Gopher football team has failed to win a game thus far this year. He said that since World War II the coaching job had been particularly difficult.

Sports Roundup

By HUGH FULLERTON, JR.

New York, Nov. 13 (AP)—It's a safe prediction that baseball's national defense rule will come in for a lot of discussion and perhaps some overhauling at the winter meetings.

Shag Shaughnessy, International League president, proposed some changes at the recent executive meeting but was turned down. He still thinks it's a bad rule.

"They're taking the young players awfully fast in our league," says Shag. "Nobody wants to sell an old ball player. . . . It may be just like the last war. . . . The players used up all their option years while they were in service, and when they came back they couldn't be sent out to gain experience. . . . They wanted to go out—just like the bonus kids want to be sent out—but the rule prevented it. . . . I want them to change the rule so a kid can be sent to the minors if he asks for it."

TUBE BAD
After observing a pro basketball game in Louisville at which the attendance was only 600, the Courier-Journal's Tommy Fitzgerald commented: "It's beginning to look as if five-foot television entertainers are going to hurt basketball more these cold winter nights than seven-foot players are going to help it."

MONDAY MATINEE
New York University plans to open its 1950-51 basketball season and its new million-dollar gym Friday with a varsity vs. alumni game in which one alumni unit will be composed entirely of professional baseball players and another of basketball pros. . . . NYU cagers who went into pro baseball include Branca, Eddie Yost, Williams Wells, Al Grenert and Sandy Silverstein. . . . New gridiron "feud" in the Big Ten resulted from a magazine piece that tabbed the Michigan band as the nation's best. Ohio State is out to disprove that statement. . . . Whadda they want, a monopoly? . . . Frank Secory, the Texas league ump, is ticketed for advancement to the Pacific Coast league. . . . The U. of Washington claims a record for pass-catcher Roland Kirkby. Against Southern Cal last year he received two touchdown passes in 49 seconds.

Emmitsburg

MISS SHERMAN WEDS SATURDAY

Miss Ruth Janet Sherman, sister of Mrs. Albert Wivel, near Emmitsburg, became the bride of Clarence Maurice Wivel, son of Mr. and Mrs. William Wivel, Emmitsburg R. 2, Saturday morning at 10 o'clock at St. Anthony's Catholic church. The ceremony was performed by Rev. Stanley Scarff, pastor of the couple, in the presence of a large number of relatives and friends.

The bride wore a white satin gown with a tight fitted bodice, a yoke of marquisette, long sleeves which pointed over the hand, full skirt with a bustle back and long train. She wore a fingertip veil of nylon net edged in lace which fell from a halo of lilies of the valley. She carried a bouquet of red and white roses.

The matron of honor was her sister, Mrs. Albert Wivel, who wore a blue satin gown made princess style with full skirt. Her shoulderette veil of blue net fell from a headdress of blue flowers. She carried yellow and white mums.

The best man was Albert Wivel, brother of the groom, and the ushers were George Wivel, brother of the groom, and Joseph Straub, brother-in-law of the groom.

The flower girl was Genevieve Wivel, cousin of the groom. She wore a white dotted swiss gown and her headdress was a silver crown and she carried a basket of fall flowers. The ring bearer was Robert Blaser, nephew of the bride.

The traditional wedding marches were played by the church organist Mrs. Alma Seltzer. "On This Day, O Beautiful Mother," "Soul of My Savior" and "O Lord, I Am Not Worthy" were sung during the nuptial mass by the choir and the soloist, Miss Catherine Wivel, sister of the groom sang Gounod's "Ave Maria." The altar was decorated with fall flowers.

Following the ceremony, a wedding breakfast was served at the home of the bride's brother-in-law and sister, Mr. and Mrs. Albert Wivel to the wedding party and the immediate families.

A reception was held Saturday evening at 7:30 at the home of the groom's parents and was attended by approximately 150 relatives and friends. The couple was also serenaded at 9:30 after which they left on a wedding trip to Virginia. Upon their return they will reside temporarily with Mr. and Mrs. Albert Wivel.

Mr. Wivel is a graduate of the Emmitsburg high school and is engaged in farming with his father. The bride attended the Emmitsburg high school and at present is employed at the Emmitsburg Manufacturing company.

Raised Funds

Planned for Monument
"Many years ago a plot in the square was decided to Post No. 9, G.A.R. on which it was intended that a monument be erected. This was never done. The monument was placed in front of the post home on East Middle street. When the post went out of existence, all their property went to the Sons of Union Veterans. They should have a voice in what should be done with the plot.

"The plot should be left as it is, in my opinion, and in it should be erected a Lincoln monument which would bring many tourists here, just as the Peace Light monument has done.

"Some time ago, through the efforts of The Gettysburg Times, the square was named 'Lincoln Square.' This was given the approval of the borough council. The Sons of Union Veterans announced that this organization would appoint a committee to seek the best means of raising funds for a Lincoln monument.

Favor Timing Lights
"I would be in favor of traffic lights in the square, properly timed with other traffic lights at Middle and Baltimore streets, York and Stratton streets and Chambersburg and Washington streets. This would give the pedestrian an opportunity to cross the intersections without fear of accident. If traffic lights work satisfactorily in Hanover and Chambersburg, why not in Gettysburg?

"Before the plot is removed by the town council every voter should be given an opportunity to express his and her opinion:

"Do you favor the removal of the center plot in Lincoln Square?
Yes No
"Do you approve of the installation of traffic lights?
Yes No
The council should then be guided by the results of this expression of opinion.

"The Gettysburg Times and the Women's Civic Council should be commended for the stand they have taken to retain the plot. Shall we do away with the only little spot of beauty we have, to create another race course where cowboys can drive 55 to 40 miles an hour?"

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO

A new pastoral charge has been formed of the Lutheran churches of Bendersville, Arendts and Floris, and the Rev. Mr. Haigh has taken charge of them.

Horrible: Early on Thursday morning the dead body of a newborn infant was found near the hogpen of Mr. Pinebrook, of this place. It was evidently the intention of the person who deposited it there to have it devoured by the animals; but in the darkness the wretch missed the pen! It is horrible to conceive of such depravity; and we could not suppose that the perpetrator of so revolting a crime existed in our midst.

A corner's inquest was held; but nothing has as yet transpired to fix the crime on any individual. An examination was had, and it was found to have been alive when born. A reward ought at once to have been offered by the proper authorities. It is too horrible to be suffered to rest without every means being used to discover the unnatural parent.

Married, On the 7th inst., by the Rev. D. P. Rosenmiller, Mr. James Reaber, of Carroll county, to Miss Catharine Lininger, of Adams county.

On the 14th inst., by the Rev. B. Keller, Mr. James Beard, to Miss Mary Susanna Spangler — both of Freedom township.

On the same day, by the same, Mr. Adam Bream, of Huntington township to Miss Anna Elizabeth Deatrick, of Tyrone township.

On the 12th inst., by the Rev. Jacob Ziegler, Mr. Nicholas Biesecker, of Franklin township to Miss Mary Ann Knouse, of Menallen.

On the 14th inst., by the same, Mr. Emmanuel Fieser, of Tyrone township, to Miss Ann M. Fried, of Franklin township.

On the 7th inst., by the Rev. Mr. Seehler, Mr. Henry Giessler, to Miss Catherine Gain — both of this county.

SEVENTY-FIVE YEARS AGO

Dr. J. W. Wright, dentist, has removed to Muncy, Pa., where he will practice his profession.

Mrs. Aaron Sheely, of this place, had the upper bone of the arm fractured just below the left shoulder joint on Wednesday, by the kick of a cow.

On Sunday night, in the Reformed church, Rev. Dr. Steck delivered the annual address before the Gettysburg Ladies' Bible Society, Dr. Hay and the Rev. Mr. Breidenbaugh assisting in the service. The report of the secretary was read, showing a distribution of 50 Bibles during the past year, and the receipts, by the Society, from various sources, of \$100.

Married—On the 7th inst., near the Green Ridge, by Elder Samuel Spurrier, Mr. Samuel M. Fritz, to Miss Elizabeth Kepner, both of Adams county.

Hardman-Pergerson—On the 11th ult., by Elder Samuel Spurrier, Mr. John A. Hardman, of Adams county, to Miss Emeline Pergerson, of Frederick county, Md.

JOURNEY WITH FRIENDS

Some weeks ago I received a letter from my old friend Christopher Morley, noted poet, novelist and essayist, to journey with him and his friend, Louis Greenfield, to Haverford college, his alma mater, a few miles from Philadelphia. Haverford is one of the rare colleges of America, founded by the Quakers, or Friends (thow I like that word "Friend") in 1833.

It was a perfect afternoon. We went about the grounds of this old college, noting the beautiful trees, the athletic fields, and the richly aged buildings. Here is to be seen a Cricket Pavilion. This, I am told, is the only college campus in America where one can see "that game of oblique ricochet proceeding, with tea being served not far away under a marquee."

We went to the unusually fine and efficient library, noting its great collections, its painted portraits of noted great, and meeting a delightful group of Morley's old friends. I smiled when Morley remarked that here was stationed a library "for obscure and bashful authors; the kind of people who would understand it, such as Alexander Smith, Richard Jeffries and the late E. V. Lucas."

After the library visit came the football game, in which the home team won from Hamilton college, 32 to 0. There still remained time in which to drive about the beautiful campus and to hear the interesting story of its past and present. We drove to the station, after a wonderful visit with other friends, over a road that was once a railroad, and the one over which the funeral train bearing the body of Abraham Lincoln slowly crept on its way to New York city.

It is to be borne in mind that Haverford is a small college—about 500 students—but with a standard of scholarship equal to the finest. Colleges like Haverford have advantages that the larger ones do not have. For one thing, a student gets acquainted with most of the others. His contact with his teachers is highly personal and inspiring. Such a school has a family atmosphere. I know, because it was at such a school that I took my college course; and the affection engendered for the smaller college is proverbial.

Tomorrow Mr. Adams will talk on the subject: "To Whom We Owe."

WOMAN DOCTOR
HELD IN GIRL'S
KIDNAPING

Santa Fe, N. M., Nov. 13 (AP) — Santa Fe was divided today in shocked reaction to the ransom kidnapping of little Linda Stamm.

Stunned doctors and friends rallied to the aid of Dr. Nancy Campbell, 43, prominent local physician charged with kidnapping for \$20,000 ransom.

However, horrified parents joined nine-year-old Linda's mother, Mrs. Allen Stamm, in hoping the accused woman never is freed again if convicted. Conviction carries a penalty ranging from five years imprisonment to death by electrocution.

Formal Charge Filed

The formal charge of kidnapping for ransom was filed last night by Asst. Dist. Atty. Robert Fox. Dist. Judge David Carmody set bond at \$25,000. Date for arraignment will be set later. A. L. Zinn, former state supreme court justice, said he expected to complete arrangements today for Dr. Campbell's release on bond. He hired a nurse to guard her in her cell last night.

Linda was lured from her home Friday. She spent that night drugged and wrapped in blankets on the dirt floor of a shack at an abandoned ranch. There was no glass in the windows, no door in the doorway and temperature was only nine above zero.

The blond schoolgirl was released Saturday night after an FBI trap closed on Dr. Campbell as she reached for the ransom money at the gate to the Stamm estate on the wooded outskirts of Santa Fe.

Admits Crime

Mrs. Stamm, 32-year-old mother of Linda by a previous marriage, told reporters she hoped Yale-educated Dr. Campbell never would be free again "to bring to others what she has brought to us in heartaches and worry." Her 38-year-old husband said he might make a statement today.

"It must not be allowed to happen again—the mistreatment of an innocent child—the leaving of a little girl to the mercy of winter," Mrs. Stamm said.

Dr. Campbell yesterday admitted she had planned and executed the kidnapping. She said she needed money but those that know her say she find that hard to believe.

Regarded as a brilliant gynecologist in medical circles here, Dr. Campbell had a large practice, although some friends said perhaps half of it was for charity. Among her patients had been Mrs. Stamm at the birth of a son, Craig, two years old.

Practiced 10 Years

Zinn and a woman physician said Dr. Campbell seemed irrational after she was arrested, although an FBI agent said she seemed perfectly rational under questioning.

This woman physician, a close friend of Dr. Campbell's, said Dr. Campbell received a head bruise in a recent fall while at work in her kitchen. She said she did not know, however, if the injury was serious. A Santa Fe hospital said it had no record of the injury.

Dr. Campbell practiced here since 1940 and had worked for the public health service at Los Vegas, N. M., the U. S. Indian service, Touro hospital, New Orleans, and St. Elizabeth's hospital, Washington, D. C.

A native of San Francisco, she was graduated from the University of Texas with honors in the 1920 and one of the first woman graduates of Yale's medical school in 1931.

"Almost every month I suffered from cramps, headache, or backache—due to female functional ailments. What bothered me most was that I'd start feeling so nervous, tense and strangely restless several days before my period."

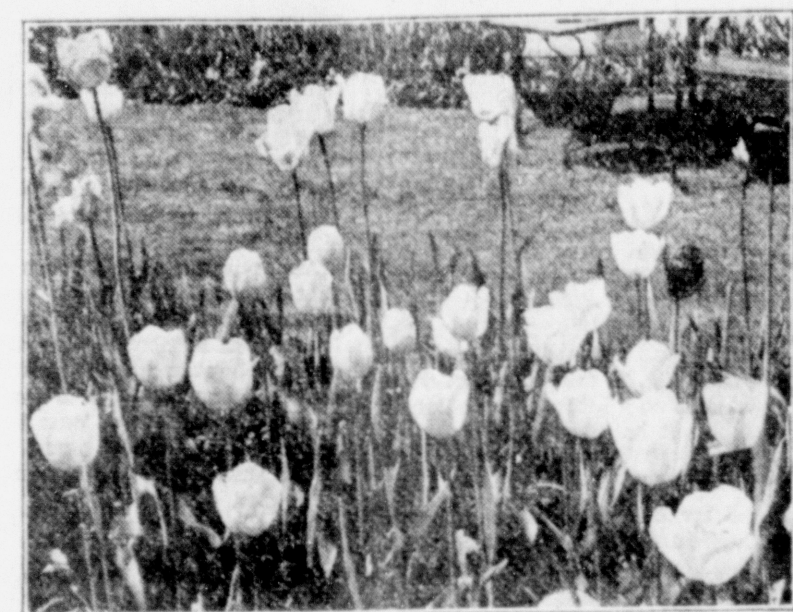

"My druggist recommended Lydia E. Pinkham's Vegetable Compound to relieve this distress. He told me to take it regularly throughout the month to help build up resistance against such female misery. (It tastes well in a little fruit juice.) I must say Lydia Pinkham's Compound is simply wonderful and gives me amazing relief—not only from monthly pain but pre-perod nervous tension and tired, dragged-out feelings of this nature. I urge every girl and woman troubled this way to try Pinkham's Compound!"

New Tulip Culture Calls
for Planting Bulbs Deeper

Tall Late Tulips, Planted Deeply, Will Bloom for Many Years.

Among the old garden maxims which have become obsolete is the one about the depth of planting seeds and bulbs. "Four times the diameter of the seed or bulb," is said.

Of course larger seeds and bulbs usually go deeper than small ones, but there are exceptions, and the "four times" formula may be definitely misleading, especially in fall planting.

A big problem for those who live where the ground freezes deeply in winter, is frost heaving. During thaws, there is always danger that bulbs too near the surface may be lifted entirely out of the ground by alternate expansion and contraction of the soil.

Any bulb you plant should be set sufficiently deep to escape this frost action. For this, three inches of soil above the bulb is a minimum. Even snowdrops and scillas are in danger, and the later a bulb is planted in the fall, the greater the danger. If planted early enough to develop roots before the freeze-up, the roots will anchor it. Cover all late plantings with a mulch after the ground freezes to shade the ground and prevent thawing prematurely.

When tulips are to be dug up each summer, they need not be planted as deeply as when they are left in the ground for several years. The reason here is that when planted with 4 to 5 inches of soil above them, they will multiply, developing

greenhouses and on house and garden plants. All growers should learn to identify this foe accurately so prompt extermination can be employed.

The insect gains its common name from the fact that the feeding adults build about their bodies a protective armor which imparts a sort of cottony or mealy appearance. This coating is actually a secretion to afford protection against sprays and against certain natural dangers the insect is likely to encounter. Many readers write the editor and describe this pest as "some kind of a white growth." Closer observation will reveal these "growths" as literally tiny sap-sucking insects hidden beneath their white armors.

Most species of mealybugs deposit their eggs on the under sides of plant leaves in small white sacks. The young which hatch from these eggs may range in color from pale green to almost purple. They are tiny nymphs which do not have the characteristic white coatings of the adults. It is after the nymph transforms to the feeding adult that the coating is formed.

Culeus is perhaps the most seriously attacked plant, both indoors and outdoors. Likewise poinsettias may be quite generally defoliated within a week or two, especially the old plants during the summer time. Lantanas, ferns, geraniums and many other favorite indoor plants are subject to sudden and severe infestations.

Because mealybugs cause heavy damages in a short period and multiply rapidly, emphasis should be placed on extermination as soon as the first adults are found. This precaution calls for frequent inspection of susceptible plants around the year. Too, proper inspection requires thorough searching of the under sides of the leaves and particularly at the axils of the leaf stems.

Control is not an easy task, especially after the bugs become numerous. Frequent applications of nicotine sulphate in soapy water kills many of the nymphs and perhaps destroys some of the unhatched eggs. If the sprayed plant is covered at once with a snugly fitting paper cone or oilcloth to hold the fumes among the leaves for 8 to 12 hours, more of the adult insects will be killed.

Numerous readers report excellent results from use of fresh nicotine dust, applied with the plant

partly covered and with the cone method employed after dusting to hold the tobacco fumes intact for several hours.

There are a few thiocyanate sprays on the market which give a high rate of mealybug control but these cannot be used with safety on tender plants. In all cases where a thiocyanate spray is employed, the plant should be sprayed with a strong mist application of water within two hours to remove the residue.

Directing a fine spray of water from various angles against plants likely to harbor young mealybugs will wash many of the pests away. Hand-picking of a few adult mealybugs is a wise method of combat to prevent serious outbreaks. Individuals may be killed by touching them with cotton wrapped around a toothpick and dipped in kerosene.

Horrible: Early on Thursday morning the dead body of a newborn infant was found near the hogpen of Mr. Finetrock, of this place. It was evidently the intention of the person who deposited it there to have it devoured by the animals; but in the darkness the wretch missed the pen! It is horrible to conceive of such depravity; and we could not suppose that the perpetrator of so revolting a crime existed in our midst.

A coroner's inquest was held; but nothing has as yet transpired to fix the crime on any individual. An examination was had, and it was found to have been alive when born. A reward ought at once to have been offered by the proper authorities. It is too horrible to be suffered to rest without every means being used to discover the unnatural parent.

When tulips are to be dug up each summer, they need not be planted as deeply as when they are left in the ground for several years. And reason here is that when planted with 4 to 5 inches of soil above them, they will multiply, developing

greenhouses and on house and garden plants. All growers should learn to identify this foe accurately so prompt extermination can be employed.

The insect gains its common name from the fact that the feeding adults build about their bodies a protective armor which imparts a sort of cottony or mealy appearance. This coating is actually a secretion to afford protection against sprays and against certain natural dangers the insect is likely to encounter. Many readers write the editor and describe this pest as "some kind of a white growth." Closer observation will reveal these "growths" as literally tiny sap-sucking insects hidden beneath their white armors.

Most species of mealybugs deposit their eggs on the under sides of plant leaves in small white sacks. The young which hatch from these eggs may range in color from pale green to almost purple. They are tiny nymphs which do not have the characteristic white coatings of the adults. It is after the nymph transforms to the feeding adult that the coating is formed.

Coleus is perhaps the most seriously attacked plant, both indoors and outdoors. Likewise poinsettias may be quite generally defoliated within a week or two, especially the old plants during the summer time. Lantanas, ferns, geraniums and many other favorite indoor plants are subject to sudden and severe infestations.

Because mealybugs cause heavy damages in a short period and multiply rapidly, emphasis should be placed on extermination as soon as the first adults are found. This precaution calls for frequent inspection of susceptible plants around the year. Too, proper inspection requires thorough searching of the under sides of the leaves and particularly at the axils of the leaf stems.

Control is not an easy task, especially after the bugs become numerous. Frequent applications of nicotine sulphate in soapy water kills many of the nymphs and perhaps destroys some of the unhatched eggs. If the sprayed plant is covered at once with a snugly fitting paper cone or oilcloth to hold the fumes among the leaves for 8 to 12 hours, more of the adult insects will be killed.

Numerous readers report excellent results from use of fresh nicotine dust, applied with the plant

partly covered and with the cone method employed after dusting to hold the tobacco fumes intact for several hours.

There are a few thiocyanate sprays on the market which give a high rate of mealybug control but these cannot be used with safety on tender plants. In all cases where a thiocyanate spray is employed, the plant should be sprayed with a strong mist application of water within two hours to remove the residue.

Directing a fine spray of water from various angles against plants likely to harbor young mealybugs will wash many of the pests away. Hand-picking of a few adult mealybugs is a wise method of combat to prevent serious outbreaks. Individuals may be killed by touching them with cotton wrapped around a toothpick and dipped in kerosene.

SOME FACTS ABOUT MEALYBUGS
Few other insect enemies of indoor and outdoor ornamental plants bring as many doubts and question marks to minds of growers as does the pestiferous little mealybug. Yet, here is one of the most common among plant pests. There are at least five to eight species found in

17 Road Deaths
Over Week-End

(By The Associated Press)
Highway accidents throughout Pennsylvania killed 17 persons over the week-end, on of the heaviest two-day tolls in many months.

In addition, eight persons burned to death, six of them children in a house that was destroyed at Garrett in southern Somerset county. An eight-month-old child burned to death in his crib near Oil City and a woman died in her flaming home at Sharon.

There was no apparent cause for the large number of highway accidents. Snow fell in northwestern Pennsylvania near Erie, and there were scattered flurries in other portions of the state, but most of the fatalities occurred on roads completely clear.

Most serious of the accidents was on the Pennsylvania Turnpike 18 miles west of Carlisle, where three

men were killed in a multiple-car collision.

Emmitsburg

MISS SHERMAN WEDS SATURDAY

Miss Ruth Janet Sherman, sister of Mrs. Albert Wivel, near Emmitsburg, became the bride of Clarence Maurice Wivel, son of Mr. and Mrs. William Wivel, Emmitsburg R. 2, Saturday morning at 10 o'clock at St. Anthony's Catholic church. The ceremony was performed by Rev. Stanley Scarff, pastor of the couple, in the presence of a large number of relatives and friends.

The bride wore a white satin gown with a tight fitted bodice, a yoke of marquisette, long sleeves which pointed over the hand, full skirt with a bustle back and long train. She wore a fingertip veil of nylon net edged in lace which fell from a halo of lilies of the valley. She carried a bouquet of red and white roses.

The matron of honor was her sister, Mrs. Albert Wivel, who wore a blue satin gown made princess style with full skirt. Her shoulderette veil of blue net fell from a headpiece of blue flowers. She carried yellow and white mums.

The best man was Albert Wivel, brother of the groom, and the ushers were George Wivel, brother of the groom, and Joseph Straub, brother-in-law of the groom.

The flower girl was Genevieve Wivel, cousin of the groom. She wore a white dotted swiss gown and her hairdress was a silver crown and she carried a basket of fall flowers. The ring bearer was Robert Buser, nephew of the bride.

The traditional wedding marches were played by the church organist Mrs. Alma Seitzer. "On This Day, O Beautiful Mother;" "Soul of My Savior" and "O Lord I Am Not Worthy" were sung during the nuptial mass by the choir and the soloist, Miss Catherine Wivel, sister of the groom sang Gounod's "Ave Maria." The altar was decorated with fall flowers.

A reception was held Saturday evening at 7:30 at the home of the groom's parents and was attended by approximately 150 relatives and friends. The couple was also serenaded at 9:30 after which they left on a wedding trip to Virginia. Upon their return they will reside temporarily with Mr. and Mrs. Albert Wivel.

Mr. Wivel is a graduate of the Emmitsburg high school and is engaged in farming with his father. The bride attended the Emmitsburg high school and at present is employed at the Emmitsburg Manufacturing company.

plants or flowers cover the ground left bare where the trees were removed.

Planned for Monument
"Many years ago a plot in the square was deeded to Post No. 9, G.A.R. on which it was intended that a monument be erected. This was never done. The monument was placed in front of the post home on East Middle street. When the post went out of existence, all their property went to the Sons of Union Veterans. They should have a voice in what should be done with the plot."

"The plot should be left as it is, in my opinion, and in it should be erected a Lincoln monument which would bring many tourists here, just as the Peace Light monument has done."

"Some time ago, through the efforts of The Gettysburg Times, the square was named 'Lincoln Square.' This was given the approval of the borough council. The Sons of Union Veterans announced that this organization would appoint a committee to seek the best means of raising funds for a Lincoln monument."

Favor Timing Lights
"I would be in favor of traffic lights in the square, properly timed with other traffic lights at Middle and Baltimore streets, York and Stratton streets and Chambersburg and Washington streets. This would give the pedestrian an opportunity to cross the intersections without fear of accident. If traffic lights work satisfactorily in Hanover and Chambersburg, why not in Gettysburg?"

"Before the plot is removed by the town council every voter should be given an opportunity to express his and her opinion."

SIX CHILDREN
DIE IN BLAZE

Garrett, Pa., Nov. 13 (AP)—Eight persons died in a series of fires in western Pennsylvania yesterday—six of them children who perished as flames destroyed a frame house in this little coal mining town.

Volunteer firemen battled smoke and flames for two hours in sub-freezing temperatures but were unable to rescue the six child victims of the Garrett fire.

Five of the children were sons and daughters of Harvey Lee, 40, a welder, and his wife, Stella, 37. They were Kay, 15, Darlene, seven, Danny, five, Laverne, three, and Linda Sue, two.

The other victim was Clarence Lee, 15, brother of Mrs. Lee, whose maiden name was the same as that of her husband. Clarence was spending the night at his sister's house.

Mr. and Mrs. Lee were out shopping when the fire broke out. When they learned of the blaze, they rushed home and stood helplessly by as firemen vainly tried to enter the flaming house. Firemen said the blaze apparently was started by a kitchen coal stove. The bodies of the children were found later in their second floor bedrooms.

Another child, eight-month-old James Stover, burned to death in his crib in a farm house near Oil City, Pa. Firemen said the parents, Mr. and Mrs. Lester Stover, told them the crib apparently was set ablaze

Erie County Gets
Foot Of Snow

(By The Associated Press)

Increasingly moderate temperatures are predicted for Pennsylvania today (Monday) in the wake of a week-end storm that deposited 12 inches of snow in Erie county along the shores of Lake Erie.

Erie was the only county in the state hit by the localized storm which swept along the shores of the lake as far west as Cleveland, O. A few snow flurries were reported in other sections of the state.

In most sections of Pennsylvania the temperature is expected to range between 40 and 50 degrees today. Similarly warm weather is predicted Tuesday and there's not a snow cloud in the sky for the next two days, the Weather Bureau adds.

In some sections of Pennsylvania the mercury went below the 20-degree mark last night. Among the areas where these lowest readings of the season were recorded was Phillipsburg. The Pocono mountain resorts also reported temperatures between 15 and 20 degrees.

by an open heating stove.

The eighth fire victim was Mrs. Alton Phillips, 50, who perished in a fire that destroyed her home at Sharon, Pa. Mrs. Phillips was alone when the fire started at an undetermined cause.

A flood in the Ohio River valley in 1913 accounted for the loss of 400 lives and \$100,000,000 in damage to property.

New York, Nov. 13 (AP)—Gov. Thomas E. Dewey's television technique in his successful campaign for re-election may or may not have had any effect on the balloting, but he did introduce something different anyway. New York city, normally Democratic, gave him more votes than normally goes to the Republican candidate.

It was mainly in the New York area in an 18-hour windup of the campaign that Dewey displayed his method via several local stations after a previous tryout. That was the answering of questions put by the man or woman on the street in a two-way camera hookup. He was in the studio and the others at various points around the city. Each

could see the other on monitor receivers.

Dewey thus opened a new vista in the comparatively new campaign use of television. It was regarded as considerably more effective than the pulp-like delivery of a speech from a prepared script. Dewey seemed at ease before the camera at all times, even when the questions tended to be tough.

Those who profess to know say that in the future some such similar method will have to be called upon to hold the audience. They also are saying that the matter of being telegraphic will play as big a part, maybe more, as did a nearly perfect speaking voice in the days when campaigning by radio was at its height.

On a recent radio program over Station WGET, Gettysburg, Mr. Gilbert Crabill of Gettysburg, R. Like Mr. Crabill, you will get a satisfactory buy when you purchase this:
